

Restore DACA's Advance Parole Campaign Sponsor Pledge

The California-Mexico Studies Center, Inc., respectfully requests your support to continue our campaign to restore DACA's Advance Parole.

Your sponsorship will allow us to bring a delegation of 50 Dreamers to Washington D.C. to advocate for the restoration of Advance Parole at the national level. We plan to take DACA recipients from all over the country to share their human stories and we ask that you support our campaign by sponsoring at least one dreamer with a \$500 tax-deductible contribution.

The continued denial of Advance Parole for DACA recipients is causing irreparable harm, it's inhumane and discriminatory. Thank you for allowing us to continue our advocacy efforts.
